My dear Chuck,

I wonderful boy that
to the most
I have ever met. Remember
all of the fun we have had together, especially at Christmas
time when you bought me my pretty ring and such
a nice present for us. Remember after the Christmas
dance, also remember how you kissed me
and you and I went to church on Christmas Eve

how I knew it, I was acting, and pretending
I knew your parents. At last I got to know them, the
most sweet, and I was scared to met
were very nice they were to me by taking me with
you to supper, and I will never forget you.
we went ice skating (which was my first time) and
how I love to ice skate now! I
had a little dog and that box of candy you got me for Valentines day.
We had some difficulties, haven't we, but we both got through
them, even though sometimes, I am glad
we met no matter what happens in the future. I hope you will
we like each other as
lots of success in
Sammy Blair
decide on the future. I hope you will remember me,
and I am sure I will never forget you. You have
been the only boy that I have liked so much even
though sometimes you thought differently. May
your future be nothing but bright and
wonderful. May God Bless
you always and keep you safe.

Love Ya Always

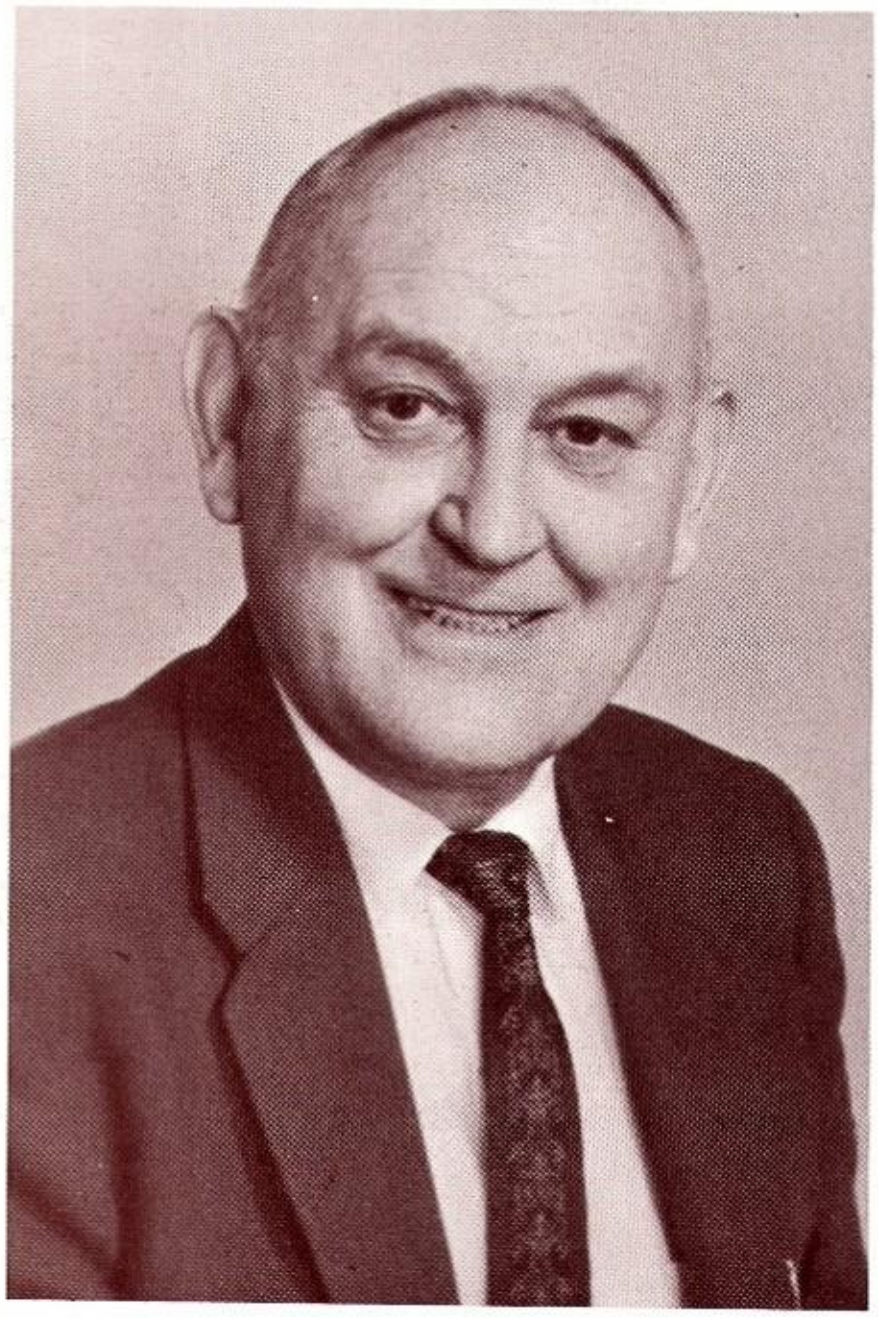
SENIOR CLASS OF 1967

SOUTHMORELAND SENIOR HIGH SCHOOL
ALVERTON, PA.

EDITION III

DEDICATION



MR. D. WILLIAM DAVIS

A deep grief was felt by our school late in the 1965-1966 term with the passing of Mr. D. William Davis. Mr. Davis had been high school principal at East Huntingdon for 29 years and high school principal at Southmoreland since its conception in 1964.

His many years in local public education earned him the respect and admiration of all who were associated with him, and his warm personality won him many lasting friendships. His administrative ability will be missed by the faculty, while his sincere and wise counseling will be missed by students.

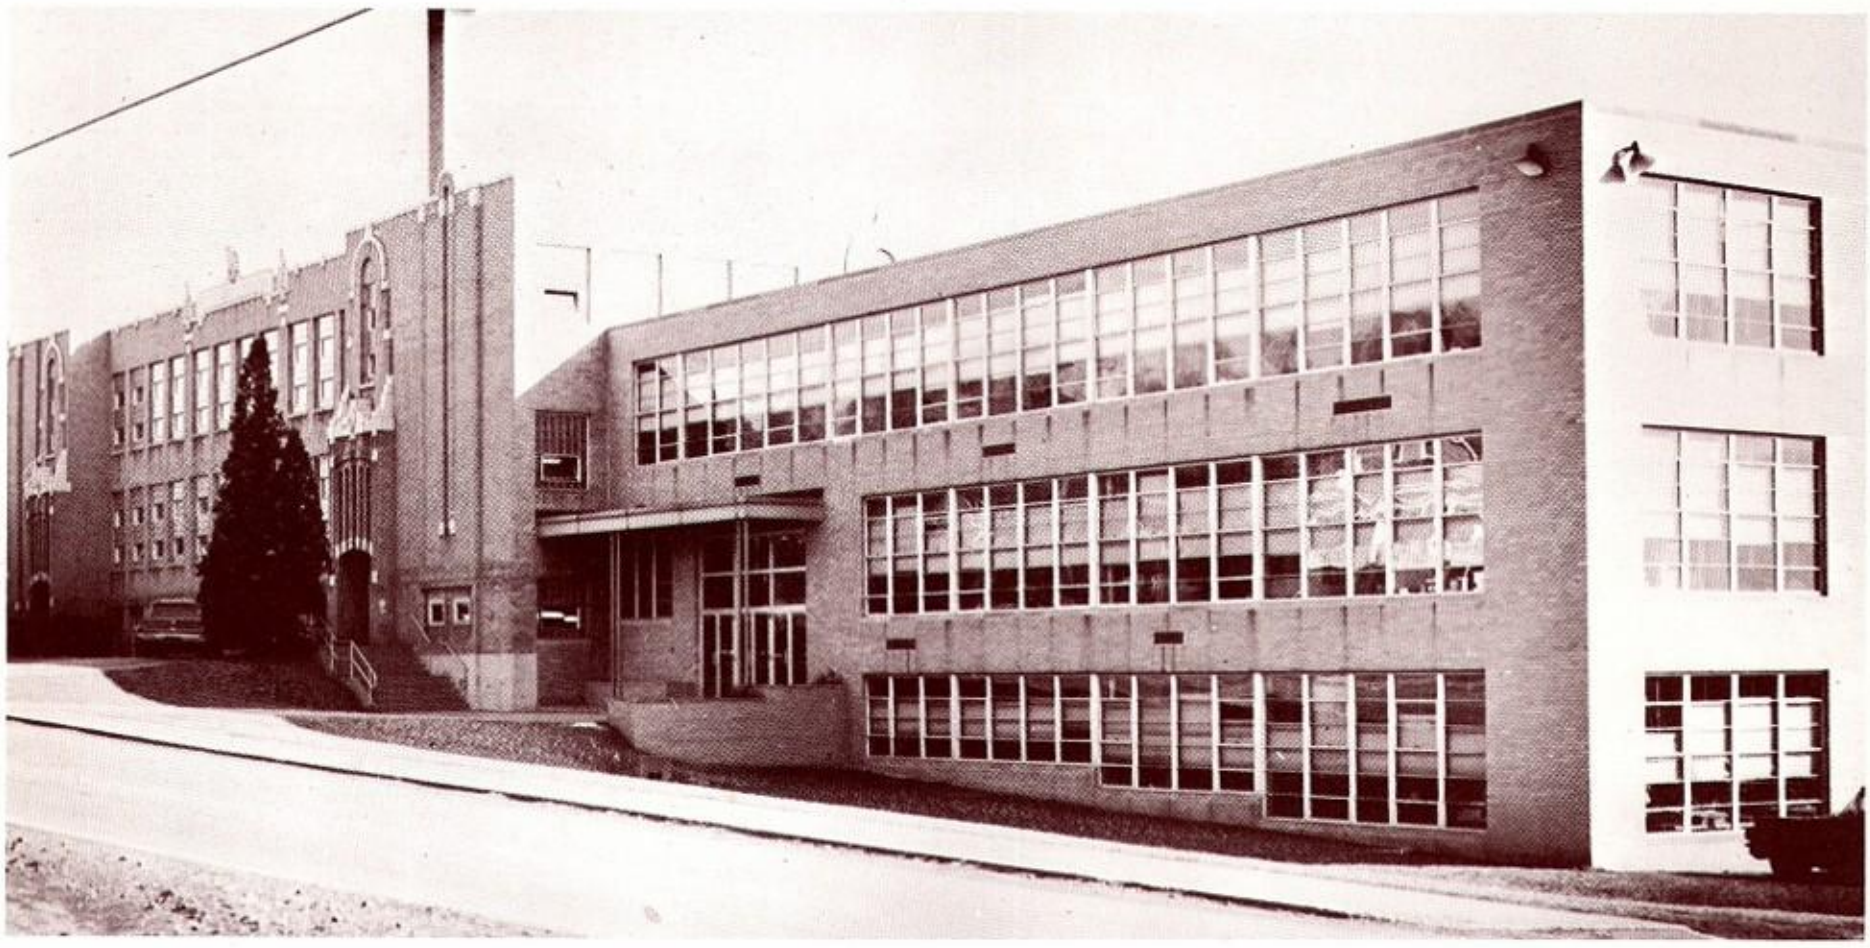
We, the Senior Class of 1967, dedicate our Legend to Mr. Davis.

DEDICATION

MRS. CAROLYN ECKMAN

The friendly manner toward her students and the pleasant smile that she possessed shall always be remembered by the many students she taught throughout the years.

We, the Senior Class of 1967, dedicate our Legend to Mrs. Eckman.



FOREWORD

We have at last reached the peak of our high school career. Since our early days in junior high, we have looked up to and envied the Seniors, who made our school a unit and a place we were proud to attend. Now that our time has come, and nearly gone, we look ahead and realize that what we have learned here will always be with us, and be a part of us. We wish to always remember the wonderful moments which have helped to create our Senior Year, and for this reason, we have captured as many as possible and enclosed them as a part of this, our Legend.

AARON HENDRICKS

I cannot say, and I will not say
That he is dead. He is just away!
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land
And left us dreaming how very fair
It needs must be, since he lingers there.
And you—oh you, who sorrowfully yearn
For the old-time step and the glad return,
Think of him faring on, as dear
In the love of There as the love of Here;
Think of him still as the same, I say,
He is not dead—he is just away.

The 1967 edition of the National Honor Society has tried to uphold the success of its predecessors by electing into the society only those who have been able to faithfully and honestly live up to those four requirements upon which admission to the ranks of this select group is based. These four factors which determine whether or not a student is eligible for election to the National Honor Society are a good honest character, academic excellence, a strong sense of leadership, and a sincere respect for his fellow men. Only those gifted few who are able to meet all of these standards are given the opportunity to receive this, the highest award that can be bestowed upon a student during his years in high school.

The majority of students comprising the library club are library assistants. The revision of the constitution and the over-all planning show that the members are growing in their thinking, interests, and appreciations. They are acquiring desirable social attitudes through their social activities, field trips, and speakers which they invited to their meeting. They have creative expression by the way they keep the bulletin board and other displays in tune with special days, events, and seasons. From their accomplishments, the members have strived to keep the library rich in meaning and usage.

Chuck,

I'so a very very very very handsome sophy. Remember all the good times (the gang) we had together. I hope you will become a great track star like Sammy. Like Shirley said you belong to our secret organization.. (It was so-so-so-so-so-so secret even I didn't know about it.) I hope some day you will be able to taste Shirley's "punch". "It really turns you on." I hope next year that you get everything you want. There are some many things I would like to say but there isn't enough room in the whole world. This is a poem dedicated to you.

① I know a track star
I know a sophy.
I know this sophy
will
go
far.

(a Mari orginals)
dosn't)

② I know a little bird
It ho lives in a tree
and this little bird
Sings to me.

③ I know a cute sophy,
and he's a track star
and this special sophy
will
go
far.

from Me (of course)

To real cute and sweet boy. Remember all the good times we have had together in typing with Mr. Werkman. [redacted]. You are a good member of our good standing organization as soon as we figure up a name for it. Any suggestions will be helpful. Keep up the good work on the track team for we all have faith in you.

Best of luck in the future in everything you attempt to do. Keep your witty smile and personality and you will go far

May God bless you always!

Love ya,

Shirley
